Project Description & Scope of Work

1. Remove existing wall mounted network and A/V racks in cabana.
2. Tone existing wiring to identify what is currently in-use and necessary for system functionality.
3. Clean up all wiring and remove any unnecessary components from existing wall.
4. Prepare wiring for systems in use, organize necessary wiring for TV, audio, network and camera systems to proper locations.
5. Reinstall or install new wall rack.
6. Install system components, connect and setup audio and tv systems.
7. Coordinate installation of network (TBD Paseo contractor) and camera systems (Diamond Access Technologies)
8. Test systems with all pertinent Paseo staff.
9. Provide training to all pertinent Paseo staff.

Labor	\$8,287.50
Adjustment	\$419.76
Subtotal	\$13,954.24
Tax	\$340.00
Total Price	\$14,294.24

Payment Terms

	Billing Date	Due Date	Amount
Deposit (50%)			\$7,147.12
Equipment Payment (30%)			\$4,288.27
Upon Completion (20%)			\$2,858.85

Terms & Conditions

1. Contract Documents and Details: The contract documents consist of this agreement, including all general provisions, special provisions, specifications, drawings, addenda, or change orders. The costs associated with any related work or materials, including, but not limited to electrical, drywall, painting, cabinets are not included unless specifically documented in the proposal. Contractor is not responsible for any underground trenching or laying or supplying of conduit for outside wiring.

2. Time: If Contractor is delayed at any time in the progress of the work by Client change orders, fire, labor disputes, acts of God or other causes beyond Contractor's control, the completion schedule for the work or affected parts of the work shall be extended by the same amount of the time caused by the delay.

3. Payments and Completion: The above Payment Schedule is a guideline and approximation. Since contractor will, if possible, open, test and burn-in equipment before delivery, all components must be paid for before delivery to job site. Payments may not be withheld under any circumstances. Final payment shall be due immediately following completion of the project. The Contractor shall be responsible for the payment of any sub-contractor and shall obtain lien releases from sub-contractor as may be necessary.

4. Insurance: Contractor shall maintain a general liability policy of insurance, and any required workers compensation insurance during the term of this Contract.

5. Changes in the Contract: Client may order changes, additions, or modifications without invalidating the contract. Change Orders shall be paid in full upon demand and shall not alter the contract's payment schedule.

6. Contractor reserves the right to substitute equipment without notice to the Client. Contractor shall not be responsible in case of product unavailability or discontinuation.

7. Choice of Law: This Contract shall be governed by the laws of Florida, and Venue shall be Collier County, Florida.

8. Attorney's Fees: Should collections or litigation be required to obtain any payment under this Agreement, Contractor shall be entitled to reasonable attorney's fees and cost of collections and/or litigation.

9. Warranty: Contractor warrants all parts involved in an installation for one year. Contractor will also be glad to help the client get their manufacturer-warranted equipment serviced though out the life of the said warranty.

*Occasionally modern electronics do not function well together. Though we try very hard to minimize those struggles through various manufacturer trainings, sometimes it can take extra time to make some products (Provided by us OR by the client) function reliably together. Time on site dealing with this aspect will be billed at our standard service hourly or after hour rates (Plan Specific)
